## **Reservations:**

To take advantage of this offer, you must register and pay online through the registration portal of [www.2009.hpair.org](http://www.2009.hpair.org), which will be made accessible to those who are accepted to the conference. **The low rates listed here are exclusively offered to HPAIR by the hotels, and will not be available through directly contacting the hotel.** These special rates are available **for all of August 2009** for the Grand Ambassador Hotel and for the nights of **August 11-20, 2009** for the Shilla Seoul Hotel. Rooms must be reserved **by July 17, 2009**. Any room requests after this date will be subject to availability, at the prevailing daily rate.

## **Special Rooming Requests:**

Delegates who register to stay with us will be randomly assigned a roommate of the same gender. The registration portal will provide the option of requesting a particular delegate roommate. Such requests will be accepted if and only if both delegates are staying at the hotel on all of the same nights. We will try our best to accommodate any special requests submitted. In addition to indicating a desired roommate on via the registration portal, related inquiries should be directed to [fang4@hpair.org](mailto:fang4@hpair.org)

## **IV. Contact Us**

Should you have any questions about the online payment process or encounter any problems, please contact us via [help@hpair.org](mailto:help@hpair.org) and/or [fang4@hpair.org](mailto:fang4@hpair.org)

<sup>1</sup>Due to the appreciation of the Korean Won these past few months, the rate which we initially offered to delegates has now become financially unsustainable for the conference. It is due to this reason that we will unfortunately have to raise the room price. However, we still hope you choose to stay in the Shilla Seoul, due to the excellent quality of the rooms and its central location for the conference. Thank you for your understanding and we look forward to seeing you at the conference.

<sup>i</sup> Rates and nights are subject to room availability. HPAIR reserves the right to change the nightly rate without warning. A rate change will not affect the nights already paid at the time of the change. [In other words, delegates should book early]

<sup>ii</sup> No rate offered by HPAIR covers incidental charges, which may include but are not limited to mini-bar usage, high-speed internet access, room service, laundry service, phone calls, or pay-per-view movies.

<sup>iii</sup> These rates are based in U.S. Dollars (USD) and are quoted on a per person, per night basis. All taxes included.
